

# THE GROWNUPS HAVE GONE

BERMINGHAM, PAULIONE

## SINOPSIS

This is the story of two boys aged between 8 and 10 years old. They are active and fun and are always together. They live in a nice, loving house with their doting parents. It just so happens that one Saturday the boys' mum and dad have a lunch date at a nice restaurant (without the kids) and they are very much looking forward to going. The grandparents have been called to "babysit" and will be arriving any minute now. (I must emphasise that the wall clock plays an important part in this story as everything that happens in it is in the timeframe of 5 minutes.) But as sometimes things happen beyond our control we see that the grandparents haven't arrived as yet and mum and dad must go now or they'll be late. a. provisión libre, a partir de la construcción de dos situaciones sonoras en las que un grupo de improvisadores organiza diferentes ambientes unitarios y juegos de acontecimientos en dos espacios concretos donde concurren en el tiempo diversos elementos artísticos. Siempre desde la práctica, este trabajo de campo brinda nuevas herramientas analíticas que harán más cercana e inteligible ...
